

Notice of Intent to Finish Out a Crop (San Antonio Pool) - Stage 1

If you wish to finish out a crop that was already planted when Critical Period Management (CPM) Stage I was declared in the San Antonio pool, please complete and submit this notice to the EAA within **30 days** after the declaration of Critical Period Management (CPM) Stage I. If you do not submit this form you will be subject to all critical period reductions and requirements that may occur. All notices filed may be subject to site inspections during CPM. Please mail this completed form to the Critical Period Team at 900 E. Quincy, San Antonio, Texas 78215, or fax it to them at (210) 222-9869.
