

Notice of Planting an Additional Crop

If you wish to plant a crop(s) during a Critical Period Management (CPM) stage, please complete and submit this notice to the Authority within **15 days** after the crop(s) has been planted. The water used to irrigate a crop planted during a CPM stage will be subject to CPM withdrawal reductions. All notices filed may be subject to site inspections during CPM. Please mail this completed form to the Critical Period Team at 900 E. Quincy, San Antonio, Texas 78215, or fax it to them at (210) 222-9869.
