

Great Texas River Cleanup signing volunteers

The cities of San Marcos and Kyle, along with Texas State University and the Texas River Protection Association, are calling on volunteers to register for the 34th Annual Great Texas River Clean Up on March 2 from 9 a.m. to 1 p.m.

The undertaking will clean all 90 miles of the San Marcos River, including creeks and tributaries that flow into the San Marcos and Blanco rivers, from its headwaters to its confluence with the Guadalupe in Gonzales.

Those who would like to participate in the upper San Marcos portion of the annual clean up (Sewell Park to Stokes Park) should visit the [registration website](#) and select one of the 11 available watershed locations or contact Keep San Marcos Beautiful at 512-393-8419 or ksmb@sanmarcostx.gov.

To participate in the lower San Marcos River portion (Stokes Park to the Guadalupe River), contact Tom Goynes at 512-787-5574 for more information.
