ADDENDUM #1

September 18, 2012

A. This addendum will be considered a part of the Management of Floating Vegetation and Litter, IFB 212-166. Where provisions of this addendum differ from those of the original Contract Documents, this addendum will govern.

B. CHANGES: All changes are bolded below.

1. The Bid Form will be replaced with the "Revised" Bid Form. Bidders must submit the attached Revised Bid Form to be considered responsive.
2. Section 5.B. will read BASIS OF AWARD: The City of San Marcos (the "City") reserves the right to award a contract to a bidder on the basis of **total** low bid. The City reserves the right to reject all bids.
3. Section 5.E will read OPTION TO RENEW: The contract may be extended for four (4) additional one (1) year periods, provided all terms and conditions remain in full force and effect except for the contract period being extended. The contract price for any extension period will be adjusted in a percentage amount equal to the net percentage change from the previous year in the Consumer Price Index for Urban Wage Earners and Clerical Workers (all items), as published by the United States Department of Labor, Bureau of Labor Statistics. This option, if exercised, is to be executed in the form of a letter of agreement signed by the Purchasing Manager, to be issued no sooner than ninety days (90) prior to expiration of this contract, nor later than the final day of the contract period. This option to renew requires the mutual agreement of both parties. Refusal by either party to exercise this option to extend will cause this contract to expire on the original or mutually agreed upon date. The total period of this contract, including all extensions as a result of exercising this option, will not exceed a maximum combined period of **fifty-nine (59) months**.

Sincerely,

A handwritten signature in blue ink, appearing to read "Veronica Bradshaw".

Purchasing Specialist, Senior

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
