

Conserving Water At Home

Directions:

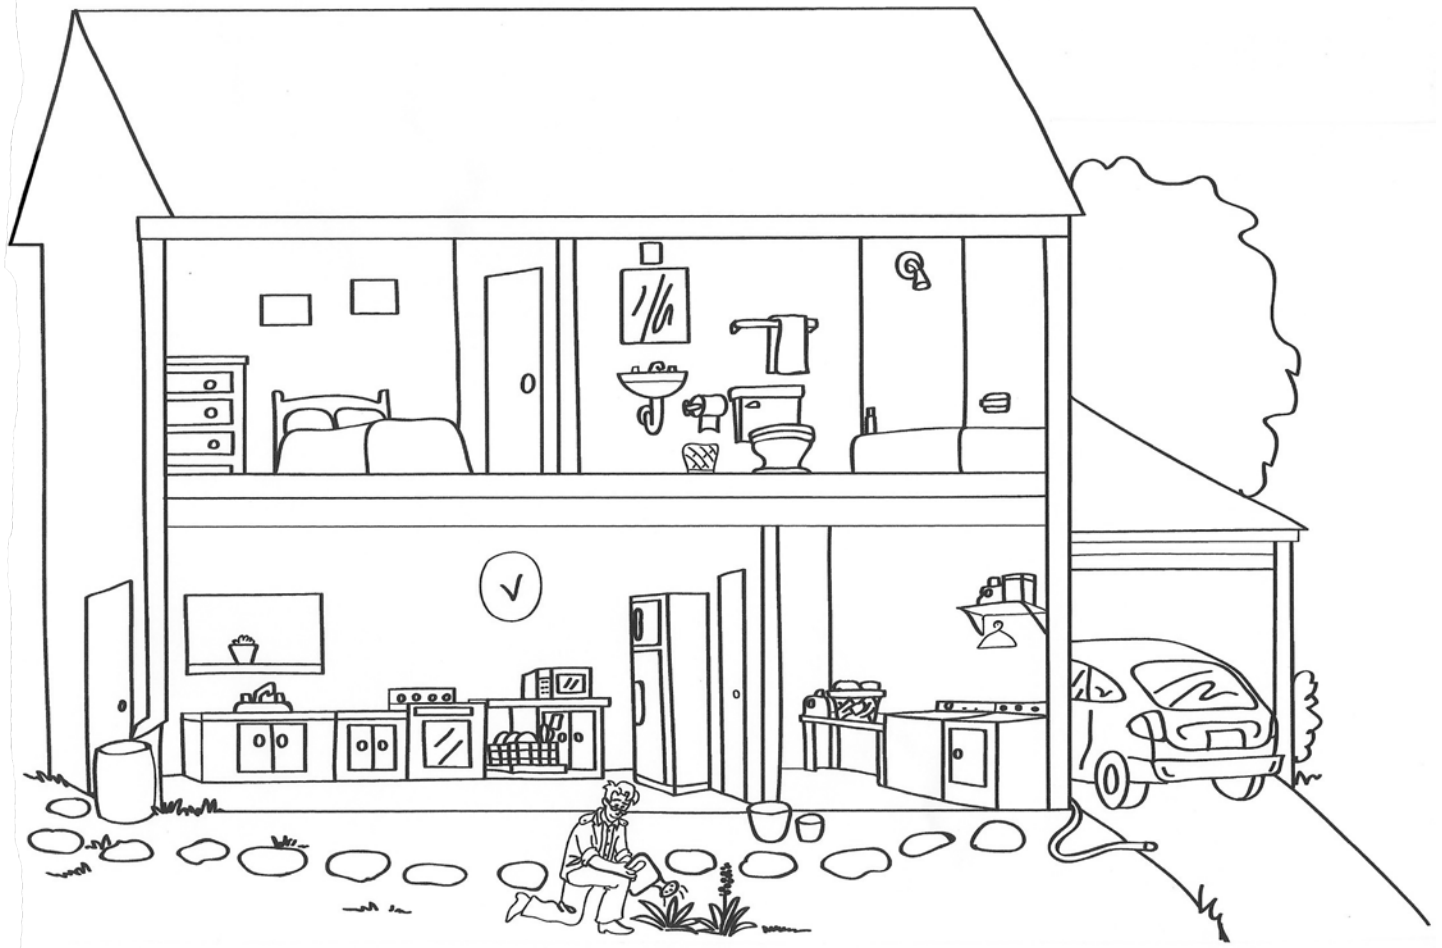

- Circle all places in the house and yard where water is used (and/or wasted).
- Hint: there are at least nine spots of water use in the image below.

Visit EdwardsAquifer.org/learning-zone/conservation to see a list of 100+ ways to save water at home.

Review the ideas with your family and agree on one (NEW) thing you would like to do to start conserving water in your home.
