

Notice of Intent to Finish Out a Crop

Submit this Notice of Intent to Finish Out a Crop form **only if believe you are within 30 days or less** of exceeding your permitted groundwater withdrawal amount after applying all reductions, including those in effect as of the date of filing this Notice. This Notice is null and void if your exceedance is due to a transfer of water rights via sale or lease to a third party after a formal declaration of Critical Period by the EAA.

Additionally, upon the filing of this Notice, you are prohibited from planting additional crops unless such crop is dry land farmed or the water used is from a source other than the Aquifer. Absent the submittal of this Notice, you will be subject to all critical period reductions and requirements that may occur. All Notices filed may be subject to site inspections during CPM. Please mail this completed form to the Critical Period Team at 900 E. Quincy, San Antonio, Texas 78215, email it to CriticalPeriod@edwardsaquifer.org or fax it to (210) 222-9869.
