VOLUNTARY IRRIGATION SUSPENSION PROGRAM OPTION

Manage. Enhance. Protect.

TERMS AND RATES:

2-Year Term
January 1, 2026 –
December 31, 2027

3-Year Term
January 1, 2026 –
December 31, 2028

• **Stand-by Rate** (non-suspension years):
\$54 per acre-foot per year.

* **Suspension Rate:**
\$160 per acre-foot per year in addition
to stand-by rate (\$214 per acre-ft).

* A suspension year is triggered if the J-17 index well is at or below 635 feet msl on October 1st in any given year. If triggered, suspension from withdrawals will begin on January 1st of the following year.

Note: On October 1st 2025 the J-17 index well was below 635 feet msl, therefore triggering suspension of use in year 2026. EAA will pay the suspension rate of \$214 per acre-foot in year 2026.
