WATER
LEASING

VISPO

EAA GROUNDWATER LEASING

PURPOSE To lease Edwards Aquifer Water Rights from permit holders to supplement existing EAA Habitat Conservation Plan Springflow Protection Forbearance Programs.

Leased water allows the EAA to move water between the **Voluntary Irrigation Suspension Program Option (VISPO)** and **ASR Springflow Protection Forbearance Programs** as needed during times of drought where suspension is required.

TERMS The effective date for leases will be **January 1, 2027**
Unrestricted Water (Irrigation, Municipal, or Industrial)

Terms	Price
5-year	\$250
7-year	\$275
10-year *(with or without 7-year option).	\$300
15-year (years 1-7)	\$300
15-year (years 8-15)	\$366

**7-year option - either party can opt out or renegotiate depending on market conditions at that time.*

Base Irrigation Water (Irrigation)

Term	Price
10-year	\$125

ENROLLMENT DEADLINE:
December 1, 2026
